

WOMEN NOT TRUTHFUL

This Statement Has Been Unjustly Made, Because Modest Women Evade Questions Asked By Male Physicians.

An eminent physician says that "Women are not truthful; they will lie to their physician." This statement should be qualified; women do tell the truth, but not the whole truth, to a male physician, but this is only in regard to those painful and troublesome disorders peculiar to their sex.

There can be no more terrible ordeal to a delicate, sensitive, refined woman than to be obliged to answer certain questions when those questions are asked, even by her family physician. This is especially the case with unmarried women.

Is it any wonder, then, that women continue to suffer and that doctors fail to cure female diseases when they cannot get the proper information to work on?

This is the reason why thousands and thousands of women are now corresponding with Mrs. Pinkham. To her they can and do give every symptom, so that she really knows more about the true condition of her patients, through her correspondence with them, than the physician who personally questions them.

If you suffer from any form of trouble peculiar to women, write at once to Mrs. Pinkham, Lynn, Mass., and she will advise you free of charge.

The fact that this great boon, which is extended freely to women by Mrs. Pinkham, is appreciated, the thousands of letters received by her prove. Many such grateful letters as the following are constantly pouring in.

AGED MERCHANT INJURED.

Right Leg Broken in Brattleboro Freight Yard.

Brattleboro, April 22.—The right leg of Horace Smith, an aged merchant, and grain dealer of West Chesterfield, N. H., was broken below the knee in the Brattleboro freight yard Wednesday afternoon. The gate at the crossing was put down in front of him and while he was waiting a narrow gauge locomotive passed by. The escaping steam frightened the horses and they started to turn around, throwing Mr. Smith to the ground. It is thought that a wheel of his wagon passed over his leg. He was taken to the Brattleboro Memorial hospital. He is about 80 years old.

ASKS FOR RECEIVER

Chicago Policy Holders of Equitable Bring Action.

HYDE AND ALEXANDER

Objected To — Say They Are Dissatisfied Their Interests and Wish the Courts to Intervene.

Chicago, April 22.—A bill for the appointment of a receiver for the Equitable Life Assurance Society of the United States and seeking an accounting was filed in the United States circuit court here yesterday by Attorney D. J. Schuyler. The petition is filed in the name of Abraham Sitron and others, policy holders in the society. Sitron says he holds a \$3,000 policy in the society and that his interests are being dissipated by the officers and directors of the society.

In the bill President James W. Alexander and Vice President James H. Hyde are charged with misappropriation of funds and mismanagement. The bill also declares that for ten years the charter of the company and the laws of New York have been violated inasmuch as the officials have failed to distribute the profits of the company among the policy holders.

The complaining policy holders are as follows: John G. Sanditz, \$2,000 policy, issued June 19, 1899; Abraham Sitron, \$3,000 policy, issued March 22, 1900; Julius Ettelson, \$3,120 policy, issued July 10, 1895; Max Ettelson, \$1,375.00 policy, issued July 11, 1895; Julius Neuman, \$2,000 and \$3,000 policies, issued Oct. 6, 1895; Samuel Lyons, \$2,000 policy, issued April 10, 1902; Lina Lyons, \$1,000 policy, issued March 15, 1901.

Attorney Schuyler, who filed the bill, said that the complainants had held a meeting and decided to take the matter into the general court. It is their wish he said, to have a receiver appointed and the affairs of the society ended, so that the policy holders may have a just distribution of the funds and profits now on hand. No further steps than the request in the bill have been taken for the appointment of a receiver, but Attorney Schuyler said that within a few days he will go into court in that connection.

THIN BLOOD

Thin blooded people are called anaemics. Anaemics present a haggard and fatigued appearance, have weak nerves and lack vitality. This disease is more frequent in girls and women than in boys and men. In fact, 90% of it is found in growing girls.

Any doctor will tell you that common sense is as important in medicine as in other vocations. Particularly is this true in treating Anaemia. Nature intended that we should all have a good supply of rich, red blood, and if this is lacking steps should be taken at once to remedy the defect.

The way to accomplish this desired result is to follow the plan adopted by Nature. The elements required are Nature's reconstructives. These are to be found in Magee's Emulsion. This marvelous remedy is made up of Cod Liver Oil, Malt and Hypophosphites—all builders and not destroyers.

Alcoholic medicines are worse than useless. They produce a temporary heat owing to the artificial stimulation, but a reaction follows which is particularly disastrous to anaemics.

Magee's Emulsion contains no alcohol. It imparts warmth to the system while it is enriching the blood. Persons with thin blood feel the cold weather more than others and are subject to Colds, Bronchial and Pulmonary affections. Magee's Emulsion primes the system to throw off these colds and makes blood, bone and muscle.

CAPT. BUSHNELL INJURED.

One of Waitsfield's Prominent Citizens Meets With Serious Mishap.

Waitsfield, April 22.—Capt. H. N. Bushnell, one of Waitsfield's most prominent citizens, met with a serious accident Wednesday afternoon. Mr. Bushnell had backed a load of sawdust into his barn which he was unloading and it is thought the endboard fell onto the horses, which ran with Mr. Bushnell's event. It was also made the occasion of a family reunion during the day.

Mr. and Mrs. Drew were married in Williston, April 22, 1855, by the Rev. Chester F. Burdick, a Methodist clergyman, now deceased. Mr. Drew is the son of John Y. and Amira Atwater Drew and was born in this city about 69 years ago. His wife was born in Burlington also, and is the daughter of Captain Almus Truman. She is about four years his junior. Both are in excellent health and bid fair to remain so for many years to come. Mr. Drew was 19 and his bride not quite 16 when the ceremony took place. Four children were born to them, Cora, now dead, Charles Richard Drew of New York City, and Anna Louise, wife of Frank E. Chamberlain of St. Albans, and Dr. John Drew of Runney, N. H. There are also two grandchildren. Mr. Drew has a brother, Ambrose Drew, and a sister, Mrs. Cornelia Russell, of this city. Miss Abbie Truman is a sister of Mrs. Drew. Mr. Drew was for many years a merchant at the corner of South Union and Willard street. Both Mr. and Mrs. Drew are active members of the Methodist church in this city.

ANNIVERSARY AND REUNION.

Mr. and Mrs. C. W. Drew of Burlington Married for Fifty Years.

Burlington, April 22.—Mr. and Mrs. Charles Wesley Drew celebrated their golden wedding anniversary this afternoon by an informal reception at their home on South Union street to a large gathering of friends and neighbors, who extended congratulations upon the happy event. It was also made the occasion of a family reunion during the day.

Mr. and Mrs. Drew were married in Williston, April 22, 1855, by the Rev. Chester F. Burdick, a Methodist clergyman, now deceased. Mr. Drew is the son of John Y. and Amira Atwater Drew and was born in this city about 69 years ago. His wife was born in Burlington also, and is the daughter of Captain Almus Truman.
